

# Buyer's Commitment.

## As a Buyer, I will...

1. **Deliver** all needed information to the lender on a timely basis for loan approval.
2. **Keep** my agent up-to-date on any changes in search criteria, including location, style, price, and financing.
3. **View** new listings with my agent as soon as possible to reduce the chance of someone else viewing the same property and making an offer.
4. **Notify** my agent of any new properties I am interested in.
5. **Tour** Open Houses and provide my agent's business card to any agents listing homes I am interested in.
6. **Contact** my agent when I am interested in touring another agent's open house and/or to make an offer.
7. **Tell** my agent if I see a 'For Sale By Owner' that I am interested in seeing. In a 'For Sale By Owner' situation, I understand that I am not represented in the transaction if I deal directly with the seller.

The key to a great relationship is communication.
